Belvoir Sheffield are pleased to present to the market this well-presented one-bedroom, second-floor apartment, ideally located in the heart of the city centre.

Offered to the market with vacant possession and no onward chain, the apartment is ready for immediate occupation or rental. With a potential rental income of approximately £750 per month, it represents a strong investment opportunity.

The property forms part of a recent conversion, having been transformed from offices into residential apartments in 2024, and therefore benefits from all new fixtures and fittings throughout—making it an ideal purchase for both first-time buyers and investors alike.

Internally, the apartment offers a bright and spacious open-plan living, kitchen, and dining area, flooded with natural light and providing a comfortable and versatile living space. The modern kitchen is well-equipped with integrated appliances including a fridge freezer, oven, and hob, along with space for a washing machine.

The bedroom is a good-sized double, again benefiting from excellent natural light, while the bathroom is finished to a modern standard and comprises an enclosed shower, WC, and wash basin. The property also features a welcoming hallway with a useful storage cupboard housing the water cylinder.

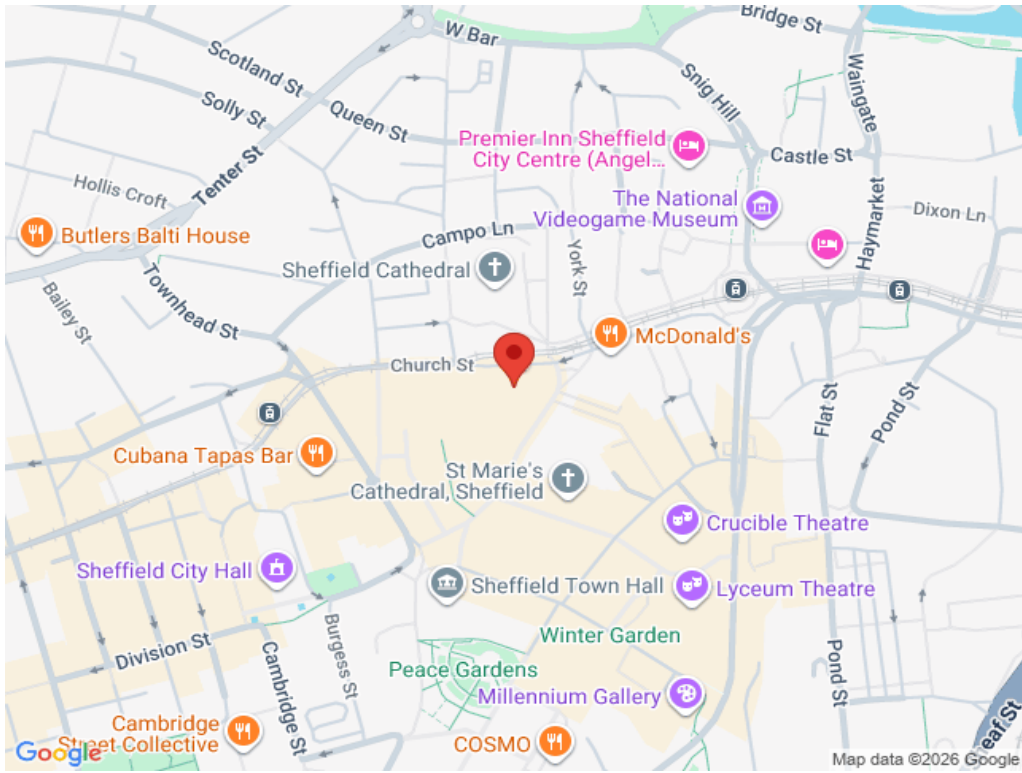

Situated in the sought-after Fargate House development, the location is truly prime—just moments from The Moor and Fargate shopping areas, with a wide range of shops, bars, and restaurants on your doorstep. Excellent transport links are close by, including the Sheffield Supertram, and both universities and hospitals are within easy walking distance, making this an ideal city base.
