## Garden & Grounds

Chatsworth House is approached off the road via wrought iron folding double gates onto a large block paved driveway providing off-road parking for several vehicles, beyond which is an integral double garage.

The landscaped gardens which surround the property on all sides enjoy a variety of mature shrubs, borders and fruit trees. To the one side there is a large seating area laid with composite decking and modern stainless steel wired hand rails, next to which is a large resin area providing ample space for outdoor entertaining and dining.

To the other side of the garden is an ornamental pond with grey composite decking and seating area enjoying spectacular attractive elevated views. Beyond this area is a large greenhouse.

The remainder of the garden is predominantly laid to lawn and enjoys a variety of mature shrubs and borders with an exposed and attractively planted natural rockery.

From the top of the garden is a spectacular panoramic vista across parts of Wenvoe village and beautiful surrounding countryside beyond.

The integral double garage benefits from an electric up and over double door, full electrical services, a floor mounted 'Worcester' combi boiler, a range of fitted kitchen units with an integrated fridge and a double glazed pedestrian door
