Home Estate Agents are privileged to offer for sale this substantial detached chalet bungalow, occupying an exceptional corner plot within one of Thorpe Bay's most sought-after roads and offering outstanding development potential, subject to the necessary planning consents.

Offered with no onward chain, this much-loved family home sits across two separate Land Registry titles, creating a rare opportunity for purchasers seeking a large family residence, investment opportunity or future development project. The property offers highly versatile accommodation throughout, with the flexibility to utilise up to four bedrooms alongside multiple reception spaces.

The accommodation is centred around a welcoming reception hall and includes a spacious lounge with character fireplace and bay window, a formal dining room, an impressive kitchen and breakfast room designed for family living, a separate utility room and a ground floor shower room. Further reception accommodation to the rear enjoys direct access to the garden and could equally serve as an additional bedroom, home office or family room.

To the first floor are two further bedrooms, including a generous principal bedroom with extensive fitted furniture, alongside a family bathroom.

Externally, the property truly excels. The beautifully maintained west backing gardens wrap around the home and offer excellent privacy, mature planting and multiple areas for entertaining and relaxation. To the rear, secure gated access leads to off street parking and a detached garage with adjoining storage room, whilst the generous frontage further enhances the property's impressive kerb appeal.

Ideally positioned within walking distance of Thorpe Bay Broadway, the station, Thorpe Hall Golf Club and within catchment for the highly regarded Bournes Green Schools, this is a rare opportunity to acquire a landmark home on an exceptional plot.

Accommodation Comprises

The property commences with a corner plot front garden with lawn, mature plants and bushes, access to either side of the property leading to the rear, external wall lighting.
