John German

This four-bedroom link-detached family home is situated on Darnford Close within the Parkside area of Stafford, which is home to a range of nearby shops and local amenities. For schooling, this property falls within the catchment area for Parkside Primary, and Sir Graham Balfour High School. The property is ideally situated for commuters as it is within easy reach of junction 14 of the M6 motorway and the nearby A34. The county town of Stafford benefits from its own intercity railway station which provides regular services to many destinations, such as London Euston with some services taking approximately 1 hour 20 minutes, ideal for those working in the capital.

The entrance door opens into the hall which has an opening into the spacious lounge/diner, and an opening into the kitchen. The kitchen has a range of matching wall and base units, window to the front aspect, tiled flooring, two ceiling light points and a door into the garage. The spacious lounge/diner has carpeted flooring, feature electric fireplace, both wall and ceiling light points, window and door to the rear aspect providing direct access out to the garden and a door leading to the inner hall. From the inner hall, there are carpeted stairs rising to the first floor landing, and doors off to the ground floor bedroom and shower room.

Upstairs on the first floor there is a modern family bathroom, dressing room, two double bedrooms and a versatile space currently utilised as a bar, but would also create a great playroom or snug area.

Outside, to the front of the home is a block-paved driveway and low maintenance garden. To the rear is an enclosed garden with patio seating area and lawn.
