Property Description

The property enjoys an eye-catching frontage, with brick-paved low-maintenance gardens framed by a knee-high brick wall and attractive mock-shutter detailing set against a mix of rendered and stone elevations, creating a warm and welcoming first impression.

A PVC door with glazed inserts opens into a striking entrance vestibule, where a vaulted ceiling with mock timber beams adds character and a sense of space. From here, a timber glazed door leads into the L-shaped main hallway, laid with wood-effect flooring and offering two generous storage cupboards, one of which houses the modern central heating boiler.

The open-plan lounge and dining area is a bright and inviting space, enhanced by coved ceilings and a feature gas-flame fireplace with stone surround and hearth. Multi-aspect windows allow natural light to pour in throughout the day, while sliding patio doors provide seamless access to the rear garden, making it ideal for entertaining or enjoying warm summer evenings.

The kitchen is well proportioned and fitted with a range of wall and base units complemented by a tiled splashback and cushioned flooring. There is ample space for freestanding appliances including a cooker, washing machine and tall fridge-freezer, and a loft hatch is also located here.

The main bedroom is a comfortable double with coved ceilings, dado rails and a pleasant outlook over the garden, offering plenty of room for freestanding furniture. An interconnecting room opens from the main bedroom, formerly the garage and now used as an additional bedroom. This versatile space features coved ceilings, semi-fitted wardrobes and an en-suite shower room with

fully tiled walls, timber-clad ceiling, and a PVC double door opening directly onto the garden. Buyers should note that the appropriate planning and building regulations for this conversion should be verified during the conveyancing process.

The second bedroom is a well-sized single, ideal for guests, a home office or hobby room, and also enjoys a pleasant garden outlook. The main bathroom has been adapted into a walk-in wet room, complete with electric shower, fitted seat, grab rails, hand wash basin and high-level WC, offering excellent accessibility.

The rear garden continues the low-maintenance theme, being laid mainly with paving stones and enclosed by timber fencing for privacy. A small pond adds a charming feature, while there is plenty of scope to introduce colourful pots and planters to personalise the outdoor space.
