DESCRIPTION

High Tide is an exceptional detached residence, completed circa 2017 and offering more than 4,000 sq. ft of beautifully appointed accommodation arranged over four floors. Designed with contemporary family living in mind, the property provides generous proportions throughout, complemented by thoughtful enhancements made by the current owners to further optimise the layout. These improvements have created an even more versatile and family-friendly home, maximising enjoyment of the landscaped outdoor spaces and the outstanding estuary and sea views which can be enjoyed from most of the principle rooms and the extensive south facing balcony. Situated on Higher Park Road, one of the area's most prestigious addresses, homes of this scale, quality and setting are increasingly rare to the market.

ACCOMMODATION

A welcoming entrance hall sets the tone for this exceptional home, featuring a staircase to the first floor, generous storage for coats and boots, and a lift providing effortless access to the upper level. From here, doors lead to the garage and the ground-floor living room, finished with engineered oak flooring and sliding doors opening onto the garden. A versatile gym/home office/guest bedroom completes this flexible ground-floor layout.

The first floor delivers a true wow factor with an expansive open-plan living, kitchen and dining space. Engineered oak flooring with underfloor heating runs throughout, while large bi-fold doors open onto a stunning south-facing balcony with composite decking and a glass balustrade, framing far-reaching views and creating a seamless indoor-outdoor lifestyle. The contemporary kitchen features a comprehensive range of fitted units, a Leisure gas stove, inset sink, integrated fridge and freezer, and a second set of bi-fold doors leading to the extensive balcony. A well-appointed utility room offers fitted units, sink, space for white goods, and an additional built-in fridge and freezer, with direct access outside. A central hallway connects to a study/office, plant room, WC, two garden access points, and stairs rising to the second floor.

The second floor offers a bright and airy landing, enhanced by a striking picture window, leads to three double bedrooms, each with its own luxury en-suite shower room. The principal suite enjoys a Juliet balcony with captivating views across the Burrows, countryside and out to sea. It also features a freestanding bath with views, a generous walk-in wardrobe, and a beautifully appointed en-suite. Bedroom four also benefits from a Juliet balcony, again showcasing the outstanding outlook.

The top floor provides three further bedrooms, including a spacious room with impressive views and its own en-suite shower room. A stylish, fully tiled family bathroom completes this level, offering a bath, walk-in shower, WC and basin.

OUTSIDE

A newly installed resin driveway enhances the kerb appeal and provides parking for up to five vehicles. The garage, fitted with an electric door, offers storage for surfboards, bikes, lawnmower etc. Adjacent to this is a level lawn and seating area, with direct access to the rear of the property and into the ground-floor living room, creating a seamless connection between indoor and outdoor living.

Resin pathways and steps sweep elegantly along both sides of the property, leading to the impressive raised balcony with composite decking, glass balustrade, and panoramic views stretching across the front aspect, over the Burrows and out to sea.
