Full Description

The development is conveniently located in a prime position within Manchester. It includes benefits such as a vibrant business and cultural community and excellent range of shopping outlets and amenities all within walking distance.

Refined, high-specification interiors and communal areas continue the theme inside, providing a great quality of life for owner-occupiers as well as excellent investment potential. Across nine floors, 115 excellently presented one and two bedroom apartments will see working professionals and young families set down roots and look on as this promising area takes shape around them. They are designed to give each a stunning living space that embodies the luxury of the modern metropolis with all the comforts of home.
