Occupying a prime position at the very end of an exclusive cul-de-sac, this home enjoys outstanding privacy while remaining within easy walking distance of the village centre, popular pubs, reputable schools, and local amenities.

## ACCOMMODATION

The property is entered through a tiled porch that leads into a spacious open hallway with a striking galleried landing. From here, a fully tiled WC with sink and vanity unit sits alongside a useful storage cupboard. French doors open into the front sitting room, a bright space with a window to the front, a feature fireplace, and further French doors connecting to the dining room, which can also be accessed from the hallway. The dining room is generous in size and features sliding doors into the conservatory. This wonderful additional living space has a pitched slate roof with electric Velux windows and blinds, French doors to the garden, and lovely views, making it an ideal place to relax or entertain. A superb family and entertainment room offers further flexibility, while the office enjoys a front-facing window. The utility room provides built-in units, an inset sink, space for white goods, and access to the garden. The open-plan kitchen diner forms the heart of the home, fitted with modern units, a gas range master, two central islands, integrated appliances including a fridge freezer, dishwasher, and microwave, and a sink overlooking the garden. This sociable space flows seamlessly into the conservatory, creating an inviting hub for everyday living.

Stairs rise to a galleried landing, giving access to five double bedrooms. One double bedroom enjoys views of the garden, built-in wardrobes, and a shower ensuite with WC and sink. Another double bedroom sits nearby, while the principal bedroom suite offers a vaulted ceiling, a semi-arched feature window with front views, three double built-in wardrobes, and a luxurious ensuite with tiled floors and walls, twin sinks with fitted units, a modern freestanding bath, and a separate shower cubicle. Two further double bedrooms complete the accommodation, along with a beautifully finished family shower room featuring a double walk-in shower, full tiling, and a wc with sink and vanity unit.

## OUTSIDE

The property is surrounded by extensive wrap-around gardens that have been beautifully designed to create an immaculate and exceptionally private outdoor setting. Several thoughtfully placed patio areas provide inviting spots for seating and entertaining, while large sweeping lawns are bordered by established trees, mature shrubs, and well-tended planting. A stocked pond with a stone-feature waterfall adds a tranquil focal point, complemented by a charming thatched roof gazebo which offers another peaceful place to sit and unwind. The garden also includes a shed, along with access to a double garage fitted with electric roller doors and a concrete base. Two additional garden sheds serve as useful workshop and storage spaces, and there is direct access from the garden to a rear lane, offering easy and convenient access to the village.

To the front is a gated entrance with parking for around 5 vehicles with access to the converted double garage which is a further versatile space currently housing a snooker table, though it could easily be reimagined as a gym, office, home studio, or even an annexe, depending on requirements. From here, pull-down stairs lead to an additional room with a bedroom area and a Velux window, offering useful extra accommodation or a private workspace. Adjacent to this is a detached double garage with electric roller doors.
