Internally, the bungalow boasts a generously proportioned, bright and airy double-aspect living room with a contemporary electric fire. A conservatory serves as a second sitting room and works perfectly for both relaxing or catching up with visiting family and friends. The master bedroom is fitted with wardrobes and drawers, and the second bedroom is fitted with a bedroom suite too. Bedroom three is utilised by the current owners as a dining room, with patio doors allowing for access outside. The spacious shower room boasts a double shower cubicle, with vanity hand basin and WC units providing exceptional storage space for toiletries. There is also the convenience of an additional cloakroom.

Externally, at the front of the property, cared-for hedged boundaries offer privacy, with an opening for access to the gravelled driveway. Further space is available in the detached garage. The fully enclosed side and rear gardens are truly a private haven in which to relax and enjoy the garden and farmland views by day and spectacular sunsets by night. A covered terrace extends from the conservatory and across bedroom 3, and provides the ideal spot to position furniture and shelter from sunshine or rain. Laid to low-maintenance decorative slate, the pretty mature borders and raised planters add pops of colour and interest as well as the opportunity to potter around. The addition of a wooden summer house provides an extra space for relaxing, with two sheds providing places to house gardening essentials.
