Positioned on Ulysses Road in the sought-after “Greek Roads,” this substantial double-fronted house offers generous and well-balanced accommodation extending to seven well-proportioned bedrooms, three bathrooms and three reception rooms.. Whilst now requiring modernisation the property retains a sense of character throughout - presenting an exciting opportunity for a purchaser to redesign and tailor the space to their own taste. There is excellent scope to reconfigure the layout and further enhance the home, subject to the usual planning consents.

The location is a true highlight—set within a quiet and highly desirable residential pocket, yet moments from West Hampstead’s array of cafés, restaurants, boutiques, and superb transport links. The “Greek Roads” are particularly renowned for their charm, strong community feel, and convenient access to well-regarded schools and nearby green spaces, making this an ideal long-term family setting.

A seldom available home of this scale and potential, offering the perfect blend of location, character, and opportunity.
