Stylish two-bedroom end terrace near Grays station featuring ensuite, ground floor WC, spacious living, private garden with artificial turf, parking, and excellent access to London and transport links.

Welcome to Malthouse Drive, where this beautifully presented 2-bedroom end-of-terrace gem is ready to charm your socks off (and maybe your future house guests too). Sitting just 0.4 miles from Grays station, your commute to London Fenchurch Street is smoother than your morning coffee—minus the queue.

Inside, it's all about effortless living with a splash of "ooh, nice!". The space flows brilliantly, offering a bright, sociable living area perfect for Netflix marathons, dinner parties, or pretending you're on a home makeover show.

The principal bedroom comes complete with its own ensuite—because sharing is overrated—and a second bedroom that's ideal for guests, a home office, or your ever-growing online shopping storage (we don't judge). And for everyday practicality (and guest convenience), there's also a ground floor WC—a small detail that makes a big difference.

Step outside and voilà: a low-maintenance rear garden with artificial turf. That means year-round greenery without the mowing drama—just add sunshine and maybe a BBQ.

Oh, and let's not forget the allocated parking—because circling the block is so last season.

Location-wise? You're winning. With Grays town centre, Lakeside Shopping Centre, and major road links like the M25/A13 all within easy reach, this home is basically your lifestyle upgrade waiting to happen.
