DESCRIPTION

This beautifully presented home offers a rare combination of generous internal proportions and an extraordinary PRIVATE GARDEN extending to approximately 1,630 sq ft — an exceptional outdoor space seldom found in this part of N1. Whether hosting summer gatherings, enjoying a quiet morning coffee, or simply appreciating the luxury of substantial outside space, the garden dramatically enhances the lifestyle on offer and sets this property apart from the competition.

Inside, the home continues to impress with a stunning luxury fitted kitchen designed with both style and practicality in mind. Finished to a high specification, it provides extensive storage, generous worktop space and a layout perfectly suited to both everyday living and entertaining.

The property further benefits from a large contemporary bathroom featuring a full-sized bathtub and separate walk-in shower cubicle, complemented by sleek modern fittings. The sense of space continues throughout the flat, enhanced by an abundance of cleverly integrated storage solutions.

Positioned on the edge of some of North and East London's most vibrant neighbourhoods, this location perfectly balances residential tranquillity with outstanding convenience. The cafés, restaurants and independent boutiques of Upper Street are moments away, while the creative energy, nightlife and technology hub of Shoreditch are all within easy reach.

A rare blend of scale, quality and exceptional outdoor space, this is far from the average garden flat.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.

THINKING OF SELLING? If you are thinking of selling your home or just curious to discover the value of your property, Hunters would be pleased to provide free, no obligation sales and marketing advice. Even if your home is outside the area covered by our local offices we can arrange a Market Appraisal through our national network of Hunters estate agents.
