Camelford offers an excellent range of day-to-day amenities including shops, cafés, public houses, primary and secondary schooling and leisure facilities, whilst also providing convenient access to some of North Cornwall's most celebrated coastline and countryside. The picturesque beaches at Trebarwith Strand and Polzeath, together with the renowned villages of Boscastle and Tintagel, are all within comfortable reach. The towns of Wadebridge, Bodmin and Launceston are readily accessible, with the A30 providing excellent links further afield. The area is also well regarded for its surrounding countryside walks, with nearby routes leading through the Camel Valley and towards the scenic River Camel and open moorland.

## DESCRIPTION

Built during the 1980s, this attractive block-built detached home offers well-presented and generously proportioned accommodation ideally suited to family occupation. The property benefits from UPVC double glazed windows throughout, whilst warmth is provided by LP gas fired central heating together with a charming LP gas stove set within a fireplace in the sitting room, which also features an Oriel window hence the name of the property. The property enjoys a great position along College Road, which is a no-through road, with mature and colourful gardens, ample parking and a double garage - and enjoys a good deal of privacy throughout.

## ACCOMMODATION

A sliding UPVC patio door opens into an entrance porch which in turn leads through to a welcoming reception hall. The principal sitting room is a comfortable and inviting space centred around the feature stove, whilst a separate formal dining room enjoys direct access into a delightful garden room. Designed for year-round enjoyment, the garden room features a solid roof with skylights, windows to two elevations and French doors opening onto a private patio, creating an ideal space for morning coffee or alfresco dining. The kitchen/breakfast room is fitted with a range of matching units together with integrated dishwasher and fridge, ceramic sink and practical wood-effect laminate flooring. A door from the hallway provides access into the generous double garage which currently serves as storage and utility space, complete with separate plumbing. Subject to any necessary consents, the garage may offer potential for conversion into additional accommodation or a self-contained annexe.

A attractive split-level staircase rises to a pretty half landing where a window overlooks the rear garden and a door leads into the family bathroom, fitted with both a bath and separate shower cubicle. A further short flight of steps leads to the main landing, which includes an airing cupboard and access to all bedrooms. The principal bedroom is positioned to the rear of the property and benefits from a dual aspect together with an en suite shower room. There are two further double bedrooms, one of which features built-in furniture, in addition to a fourth single bedroom which would equally lend itself as a study or hobby room and enjoys a pleasant outlook towards the valley and mature trees to the front.

## OUTSIDE

The property is approached via a gated tarmac driveway providing ample parking and turning together with access to the double garage. Mature gardens surround the house, creating a wonderful sense of privacy and seclusion, with established trees and high hedge boundaries affording a particularly discreet setting from neighbouring properties. To the front, the garden is principally laid to lawn and attractively planted with a variety of mature trees and perennial shrubs, whilst enjoying a pleasant outlook across the hedge and field opposite towards the valley beyond. To one side of the property, a sheltered patio provides a real suntrap and an ideal space for alfresco dining or quiet relaxation in complete privacy.

A pathway continues around to a smaller rear patio, where a clematis-covered archway opens through to the main rear garden. This area is equally secluded and features a lawn together with an attractive astro turf seating area. The colourful gardens have been thoughtfully planted and include an array of established specimens such as wisteria, rhododendrons, azaleas, roses, clematis and numerous additional varieties, creating an impressive display throughout the seasons.
