#### FOR SALE LEASEHOLD

Set within the prestigious and highly regarded Headlands development, this second-floor apartment forms part of one of Torbay's most desirable coastal addresses. The building itself is an attractive and well-established landmark, admired for its commanding cliff-top setting.

The apartment enjoys an exceptional coastal outlook, with uninterrupted and far-reaching views. From its enviable vantage point, the outlook sweeps gracefully from the easterly aspect, with Torquay providing a picturesque backdrop, across the open sea towards Berry Head and its iconic lighthouse to the south, before curving around the bay towards Paignton in a westerly direction.

It is particularly well situated within the building, benefiting from access via both the principal entrance and a convenient side approach.

Lift and stair access are available, with the lift positioned immediately inside the building, providing effortless arrival. Upon reaching the second floor, the apartment is ideally located just to the left of the lift—an advantageous and easily accessible position.

The accommodation is thoughtfully arranged and well-proportioned throughout. A welcoming entrance hall provides a sense of space on arrival, leading to the guest bedroom positioned to the right, while a well-appointed bathroom lies to the left.

A notable feature of this apartment, attributable to its desirable end-of-building position, is the kitchen's westerly-facing window, allowing for natural light and an appealing outlook. The kitchen offers a practical layout with ample storage and workspace.

The principal living space has room for dining and relaxation.

This room opens onto a private balcony, perfectly placed to take in the magnificent coastal panorama. In addition, the end-of-building position affords a further window to the west, enhancing both light and aspect.

The main bedroom is situated to the front of the apartment, enjoying the same breathtaking sea views, creating a tranquil and restful retreat. The en-suite bathroom is of generous proportions.

The Headlands is further distinguished by its well maintained cliff-top communal grounds, laid predominantly to lawn and enjoying uninterrupted views across the bay. These grounds provide residents with an exceptional outdoor environment—perfect for quiet relaxation taking in the ever-changing coastal scenery.

The property is offered with the added benefit of a single garage, with a parking space directly to the front, ensuring both convenience and practicality.
