- Detached garage

14 Fielden Close, Stoke-On-Trent ST6 8XG

Whittaker & Biggs are pleased to present this two-bedroom detached bungalow, situated in a quiet cul-de-sac. This home has been exceptionally well cared for and benefits from a professional attic conversion providing two flexible loft rooms, perfect for anyone needing extra space.

Significant investment has been made in the property, including newly replaced roofs in 2024 on both the bungalow and the detached garage, providing a massive future saving for the new owner. The home is fully double-glazed and powered by a modern Worcester combi boiler.

The layout includes a bright lounge, two bedrooms, and a well-equipped kitchen with a Carrera four-ring gas hob and electric fan-assisted oven. To the rear, the large conservatory features a tiled floor and radiator, making it a comfortable second living area in all seasons.

AML REGULATIONS

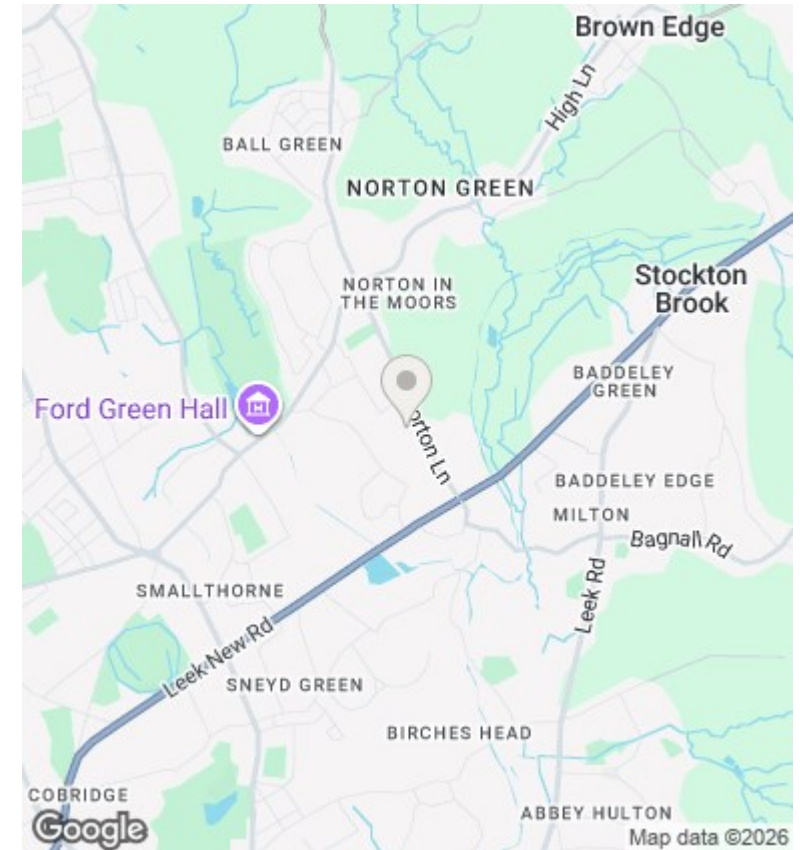

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplans contained here, measurements of doors, windows, stairs and any other items are approximate and no responsibility is taken for any errors, omissions or mis-statements. This plan is for illustrative purposes only and should be used as such for any prospective purchaser. The services, options and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
