Council Tax Band: New Build

Old Rectory Mews

Situated in the popular area of Hamworthy, Old Rectory Mews is an exclusive collection of three thoughtfully designed new properties by Edgewater Homes. Built to a high standard throughout, each property combines stylish modern finishes with practical living spaces, reflecting the developer's strong reputation for quality craftsmanship and attention to detail.

Ideally located close to a range of local shops, schools and other amenities, the development also offers easy access to Poole's excellent leisure and recreational facilities. Residents can enjoy everything from Europe's largest natural harbour to award winning sandy beaches and scenic coastal walks.

The property welcomes you with a bright entrance hall, complete with stairs leading to the first floor and a convenient downstairs toilet. At the front of the home, the comfortable sitting room provides an ideal place to relax before leading through to the kitchen/dining room.

To the rear, the spacious open plan kitchen/dining room forms the heart of the home, with French doors opening onto the rear garden. The kitchen has been finished in a contemporary style and includes integrated appliances such as an induction hob with extractor, fridge freezer and dishwasher. Quartz worktops and a central island breakfast bar provide both practicality and a modern finish, while under stairs storage offers additional space along with plumbing for a washing machine.

Upstairs, there are three well proportioned bedrooms, all offering space for freestanding furniture. The principal bedroom benefits from its own en-suite shower room with a shower cubicle, floating wash basin, toilet and heated towel rail. The family bathroom is equally well appointed, featuring a bath with shower over, glazed screen, floating wash basin, toilet and heated towel rail.

Outside, the enclosed rear garden creates a peaceful outdoor space with a paved patio area, lawn, outside lighting and a water tap, making it ideal for relaxing or entertaining.

Additional benefits include driveway parking with an EV charging point, hard flooring throughout the ground floor, carpets to the first floor, double glazing, gas central heating and the reassurance of a new build

warranty.
