43 Metropole Towers, Whitby- 3 bed Maisonette -£250,000

Hope & Braim are delighted to present 43 Metropole Towers, a spacious apartment within a former Victorian hotel on Whitby's West Cliff, offering views across the sea and towards the Abbey.

Occupying the prime north-east corner of the building, the apartment extends to nearly 1,500 sq ft of accommodation arranged over two floors. The building is lift-served, providing convenient access, and the generous proportions of the original hotel are evident throughout.

At the heart of the apartment is an open-plan, split-level lounge and diner, where the elevated position makes the most of the outlook over the coastline. It is a bright and flexible space, well suited to both relaxing and entertaining, with the views providing a constant backdrop. The galley kitchen is fitted with a range of cabinets and appliances, offering a practical layout for everyday use.

The apartment provides three double bedrooms and two bathrooms. The principal bedroom is a particular feature, set within the building's turreted roof and benefiting from fitted wardrobes and its own en-suite. The two further double bedrooms are served by the second bathroom, making the accommodation well suited to families, those who regularly host visitors, or buyers seeking a coastal home with room to spare.

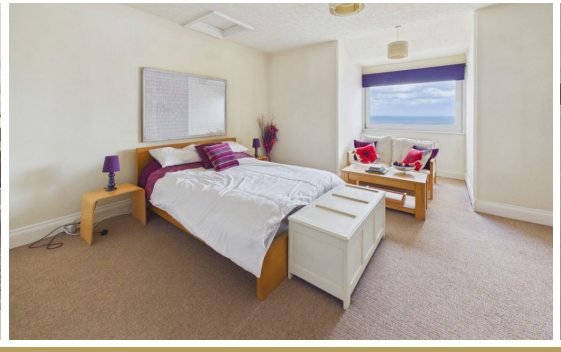

Electric heating and double-glazing are installed throughout.

While the apartment is comfortable in its current form, it offers great potential to be improved through refurbishment, allowing a new owner to update the interiors to their own taste and further enhance a home in a remarkable setting.

The West Cliff is one of Whitby's most desirable areas, within easy reach of the town centre, the harbour and the beach, with the Whalebone Arch and the clifftop promenade close by.
