Kenton are delighted to present to the market this substantial double front semi-detached family residence, situated on a corner plot. Internally, the accommodation comprises; a larger than average hallway, 2 ample reception rooms (a through lounge/diner and a sitting room), plus a contemporary fully-fitted open-plan kitchen/breakfasting room. Also to the ground floor is a separate utility room which gives access to the integral garage. Upstairs, you will find 5 bedrooms consisting of 3 double rooms, all benefitting from fitted wardrobes, and 2 single rooms. Furthermore, there are 2 modern bathrooms. Outside, the rear garden enjoys a westerly-aspect and measures circa 50ft x 57ft. In addition to the integral garage, there is also a brick built workshop attached which one could utilise as a home office or gym. To the front of the property, there is ample off-street parking for multiple vehicles. Internally, the property is neutrally decorated throughout providing a blank canvas, and whilst the property has already been extended, to our mind, there remains potential to further re-configure the accommodation to suit any new owner's requirements (subject to the usual planning consents). Charterhouse Road is ideally located for public transport, with Chelsfield Station being within a mere 15 minutes' walk and the R7 bus route nearby which runs into Orpington High Street and Station. Furthermore, a handful of well-regarded schools are also within easy access, namely St Olaves Grammar School and The Highway Primary School. Offered to the market with no onward chain, we urge your earliest attention.
