

HOLMES ~ NADEN

INDEPENDENT ESTATE AGENTS

17, Jackson Lane, Bollington, Cheshire, SK10 5BE

A unique extended four bedroom semi-detached family property occupying a sought after location on the fringe of open countryside. NO ONWARD CHAIN.

Guide Price £585,000

17 Jackson Lane offers the discerning purchaser a rare opportunity to acquire a substantial family property which has been sympathetically renovated and extended during the present owners time in residence.

On entering the property you are immediately welcomed by a good sized entrance hall with adjacent cloaks/boot area, lounge with log burning stove, study and superb L- shaped living/dining/breakfast kitchen enjoying bi-folding doors to the rear garden.

At first floor level the landing allows access to three good sized bedrooms, a shower room and separate bathroom. At second floor level there is a good sized fourth bedroom with extensive eaves storage. The whole of the accommodation benefits from a gas fired central heating system augmented by double glazed windows throughout.

Outside to the front of the property there is an extensive lawned area with steps and a winding path leads to a stone paved patio and provides an elevated seating area taking advantage of the views. To the rear of the property bi-fold doors lead out to a good sized patio area and lawn all of which is enclosed by an abundance of mature hedging giving a good degree of privacy.

There is vehicular access from a private track that runs at the rear of the property. Potential purchasers could create off road parking.

We strongly recommend an internal inspection of this unique property in order to appreciate the fine merits it has to offer.

There is a wide range of shopping, travel, educational and recreational facilities available in Bollington and nearby Macclesfield. Access points to the national motorway network, Inter-City rail travel to London and Manchester International Airport are all within 10 and 30 minutes drive of the property.

Directions:

From our Bollington Office proceed towards Macclesfield for approximately one mile. Turn left into Grimshaw Lane opposite Tesco. Continue under the aqueduct bridge. At the top of Grimshaw Lane turn right into Jackson Lane. No 17 can be found elevated on the right hand side.
