DESCRIPTION

This 3 storey townhouse forms part of a terrace of 6 properties. The open-plan lounge and kitchen, complete with integrated appliances, flows seamlessly to double doors which open out into the private garden with river views. On the first floor you will find the master bedroom with Ensuite and Juliet Balcony, along with a second double bedroom and family bathroom. The second floor offers an extra bedroom, a contemporary shower room, and a dedicated study space, perfect for a comfortable and private home office setup. The high standard of craftsmanship and quality of fittings are reflected throughout each property. The properties are considered ideal as principal residences, second homes, rental investments (holiday or AST) or possibly a combination of these uses.

SPECIFICATION

The townhouses are of traditional construction and present painted rendered elevations with double glazed doors and windows beneath slate roofs. The floor coverings for the living area, kitchen and entrance will be Luxury Vinyl Tile. Within the kitchen there will be Lamona integrated fridge freezer and dishwasher. The oven, induction hob and wine cooler are all Bosch. Handleless navy kitchen cupboards and drawers, wooden worktop and Black mixer tap. The bathrooms will be styled in pattern floor tiles. A further up to date detailed specification is available upon request from the selling agents.

OUTSIDE

All properties have private balconies and/or terraces along with gardens which are bounded by a stone wall and/or railing onto Taw Vale. There is one allocated parking space per property, plus visitor spaces. Conduit pipes have been run in order that purchasers can install their own electric car charging points if required. There will also be a bin storage and recycling facility.

DIRECTIONS

The terrace is situated between Litchdon Street and Taw Vale. Taw Vale runs parallel with the River Taw and runs into The Strand. There are traffic restrictions in both Taw Vale and The Strand. Litchdon Street is a one-way system. Accordingly, with the river to your right, turn into The Strand, turn left into Litchdon Street which can be found behind The Imperial Hotel. Proceed to the end of Litchdon Street and the site can be found on the right-hand side overlooking Taw Vale, the river and Rock Park. <https://w3w.co/book.choice.bottom>
