Living Kitchen Diner

32'7" x 17'11" (9.95 x 5.47)

The stunning open-plan living kitchen diner forms the true heart of the home, offering an exceptional sense of space and flow, perfectly designed for both everyday living and entertaining.

The space opens into a generous reception area, currently arranged to provide both formal dining and relaxed seating. This inviting area features continued solid wood flooring with underfloor heating, creating a warm and cohesive feel, while multiple double glazed windows to the rear elevation overlook the beautifully designed courtyard garden and flood the space with natural light. Bespoke walnut drawer units provide useful integrated storage, enhancing both practicality and style.

From here, the room flows seamlessly into the kitchen area, creating a natural transition between living and cooking spaces. The kitchen is beautifully appointed with a comprehensive range of cream gloss-fronted base, eye-level and drawer units, all complemented by high-quality granite worksurfaces. A twin bowl stainless steel sink unit with mixer tap and hose attachment adds further functionality.

A standout feature is the substantial central island, finished with contrasting oak cupboards and drawers, topped with a solid granite worksurface incorporating a breakfast bar, ideal for informal dining and social interaction. The island also benefits from two integrated wine coolers, perfectly suited for entertaining.

High-specification appliances include a Britannia seven ring gas range with double oven, grill and warming drawer, an eye-level microwave, built-in coffee machine, and an American-style fridge freezer set within a housing unit, complete with pull-out spice racks. A Franke stainless steel and glass extractor fan is positioned above the range. The kitchen area is further enhanced by ceramic tiled flooring, decorative coving, recessed ceiling spotlights, a built-in speaker system and air conditioning, ensuring both comfort and ambience throughout the year.

There is also additional space for a breakfast table or informal seating area, with further double glazed windows overlooking the courtyard. A door leads through to the inner hallway, maintaining a practical and well-connected layout.

Inner Hallway

10'4" x 10'2" (3.17 x 3.10)

An inner hallway connects this space, with oak staircases, storage cupboards, access to a guest cloakroom and glazed doors leading to the formal sitting room.

Formal Sitting Room

23'7" x 20'8" (7.21 x 6.30)

The formal sitting room is an exceptionally elegant and generously proportioned reception space, designed to provide a refined yet comfortable setting for both entertaining and everyday relaxation.

The room immediately impresses with its sense of space and balance, enhanced by continued solid wood flooring with underfloor heating. A bespoke handmade walnut bookcase forms a striking focal point, incorporating fitted shelving, storage cupboards and drawer units, offering both visual impact and practical storage. Above the fitted cabinetry is a part vaulted ceiling with four double glazed skylights.

A feature fireplace sits at the heart of the room, incorporating a living flame gas fire set within a beautifully crafted limestone surround, creating a warm and inviting centrepiece. Decorative coving and recessed ceiling spotlights further enhance the room's refined finish, while air conditioning ensures comfort throughout the seasons. Natural light floods the space via two full-height feature windows to the rear elevation, complemented by double glazed French doors which open directly onto the courtyard garden. This not only enhances the sense of light and openness, but also provides a seamless connection between indoor and outdoor living, ideal for entertaining during the warmer months.

Guest Cloakroom

The cloakroom includes a wall-mounted basin, concealed WC, brick-style tiling and stylish patterned tiled flooring with window to the front elevation.

Second Floor Landing

13'8" x 7'8" (4.17 x 2.35)

The second floor landing provides an additional sitting area with vaulted ceiling and impressive roof lantern, along with storage, access to a utility cupboard and access to bedrooms.

Principal Bedroom

15'7" x 13'5" (4.76 x 4.11)

The principal bedroom is a beautifully appointed and generously proportioned retreat, forming an impressive and private suite designed with both luxury and comfort in mind.

An extensive range of bespoke fitted furniture in rich walnut, complemented by brushed stainless steel handles, provides excellent storage with a combination of wardrobes, hanging space, shelving and matching drawer units.

A feature ceiling adds architectural interest, while a double glazed window to the side elevation allows for natural light. Underfloor heating and door leading through to a stunning en suite bathroom, completing this exceptional principal suite and creating a true sanctuary within the home.

Luxury En-Suite

15'5" x 7'3" (4.70 x 2.21)

This impressive space features a high-quality five-piece suite, centred around a spacious walk-in shower area with rainfall showerhead and glass screen, finished with elegant travertine marble tiling to both the walls and floor, creating a cohesive and sophisticated aesthetic.

A bath and twin wall-mounted wash hand basins form a sleek and contemporary focal point, set within a thoughtfully designed layout that combines style with practicality. A wall-hung WC with concealed cistern enhances the clean, uncluttered finish.

The room is further elevated by a striking vaulted ceiling, adding both character and a sense of space, while recessed ceiling spotlights and a fitted extractor fan.

Bedroom Two

14'0" x 12'5" (4.29 x 3.80)

Bedroom Two provides an exceptional alternative to the principal suite, offering a beautifully appointed and generously proportioned double bedroom, ideal for guests or as a secondary main bedroom.

The room is thoughtfully designed with a comprehensive range of fitted furniture, finished in a soft cream tone and complemented by quality detailing. This includes a full wall of wardrobes providing ample hanging space, shelving and integrated storage, alongside matching drawer units which enhance both practicality and visual cohesion.

A striking full-height vaulted ceiling adds a real sense of volume and character. Recessed ceiling spotlights, two double glazed windows to the rear elevation overlook the courtyard garden, underfloor heating and door through to a private en suite bathroom, completing this superb and self-contained suite.

En-Suite Bathroom

11'4" x 7'5" (3.47 x 2.28)

The suite features a bath with striking travertine marble surround and wall-mounted taps, providing a stylish and relaxing focal point. In addition, there is a separate walk-in shower area with rainfall showerhead and frosted glass screen, offering both practicality and a contemporary feel. Travertine tiling continues across both the walls and flooring, creating a cohesive and elegant design, while a wall-mounted wash hand basin and a wall-hung WC with concealed cistern maintain the clean, modern aesthetic. The space is further enhanced by a feature vaulted ceiling, recessed ceiling spotlights, fitted extractor fan and a double glazed window to the front elevation.

Additional Guest Bedroom

13'9" x 8'11" (4.20 x 2.73)

An additional guest bedroom is accessed via a separate staircase, providing a high degree of privacy and independence from the main accommodation, ideal for guests, older children, or multigenerational living. This well-proportioned double bedroom is enhanced by a comprehensive range of fitted furniture, finished in cream gloss fronts, incorporating wardrobes, drawer units and ample hanging space. Double glazed window to the rear elevation overlooks the courtyard garden, underfloor heating and a door leads through to a private en-suite shower room.

En-Suite Shower Room

The space features a walk-in shower area with rainfall showerhead, complemented by elegant travertine marble tiled walls and matching tiled flooring. A wall-mounted wash hand basin and corner WC provide practicality while maintaining a clean, modern aesthetic.

A feature arched window to the side elevation adds character, while a double glazed skylight to the rear allows natural light to flood the space, enhancing the bright and airy feel.

Outside

To the rear of the home lies an exceptional courtyard garden, beautifully designed to create a private and luxurious outdoor environment, reminiscent of a high-end London townhouse setting.

This stunning space has been thoughtfully landscaped with a strong architectural feel, combining clean lines with elegant materials to deliver a stylish yet low-maintenance finish. A striking galvanised steel bridge walkway with wrought iron railings leads you into the courtyard which has been carefully arranged to offer a distinct seating and entertaining area, allowing for both relaxed day-to-day use and more sociable occasions.

The central feature seating area creates a natural focal point, enhanced by subtle planting and lighting with decorative timber slat wall and Indian stone paving. Steps with wrought iron railings lead to a raised Indian stone paved terrace, perfectly positioned to enjoy a sunny aspect and ideal for al fresco dining or outdoor entertaining. The overall design creates a seamless extension of the internal living space, particularly from the main reception rooms, reinforcing the home's strong indoor-outdoor connection.

Overall, the courtyard delivers a rare combination of style, privacy and functionality offering a refined outdoor lifestyle more commonly associated with prime London residences.
