Property Description

Property Description

Tucked away on a peaceful cul-de-sac in the heart of Osterley, this substantial 1930s semi-detached residence offers a rare blend of period elegance and modern family living. This listing is being offered exclusively by Woodland, presenting a unique opportunity to acquire a home of distinction in one of Isleworth's most desirable pockets.

The property has been significantly extended to the side and rear, creating a generous footprint of over 2,050 sq ft (including garage), with further potential to expand (STPP). The home is set behind a paved driveway with parking for four cars, and features a 3m-wide integral garage.

Upon entry, you're welcomed by a charming storm porch with a feature brick archway, leading into a grand entrance hallway. The front reception room is a true showpiece, retaining exquisite original architectural features including herringbone timber parquet flooring, ornate coved ceilings, a ceiling rose, and a period fireplace—all beautifully preserved to evoke the elegance of the 1930s.

The rear of the ground floor opens into a spacious through-lounge with a cast iron wood burner, original detailing, and double doors leading to the garden. A double-aspect kitchen has been recently fitted with shaker-style cabinetry, quartz worktops, and extensive storage, seamlessly blending style and function. A third reception room—ideal as a home office, gym, or fifth bedroom—features garden access, garage entry, and an adjacent shower room.

Upstairs, a wide landing with loft access leads to four generously proportioned double bedrooms, all with wooden flooring and coved ceilings. Two fully tiled bathrooms—one

with a bathtub, the other with a walk-in shower—serve the first floor. The large loft space offers excellent scope for conversion (STPP).

To the rear, the widening garden plot provides a tranquil outdoor retreat with potential for landscaping or further extension (STPP), making this home as versatile as it is elegant.
