GROUND FLOOR

Entered via a welcoming entrance porch with laminate flooring, the ground floor is centred around a bright and sociable layout. The hallway, with its attractive open-tread staircase, leads to a front-facing living room where a uPVC double glazed window frames views across the rooftops towards Appleby Castle. Part-glazed double doors connect the living room through to the kitchen/dining room, which runs the full width of the rear of the property and is an excellent space for everyday family life and entertaining alike. The fitted kitchen features painted wooden base units, a pale green worksurface, and a stainless steel sink, with space provided for a freestanding cooker and fridge/freezer.
