GENERAL COMMENTS

Lidgey's Cottage is a wonderful modern property situated in the very heart of the village, within just a short walk of the local amenities. The accommodation is surprisingly spacious, much larger than first apparent, and skylights set into the vaulted ceilings mean it is incredibly light. The property was built to a very high standard in 2017 by a reputable local builder and has since been used by our clients as their bolthole and latterly as a successful holiday let, though the property is equally suited to full time occupation.

Briefly the accommodation comprises; open plan living/dining/kitchen with utility cupboard, shower room and a large double bedroom. From the bedroom bi-fold doors open to a totally private and enclosed courtyard and here there is access to the front, also. Engineered oak timber flooring is laid throughout, with the exception of the shower room which is fully tiled, and LPG heating is provided underfloor in every room. Must be viewed to be appreciated.

TREGONY

Tregony is a thriving community with a good range of village facilities including general store, post office, public house, restaurant, Church, primary and secondary schools and a wide range of social activities. The village is easily accessible to the whole area of the Roseland Peninsula which is recognised as being an Area of Outstanding Natural Beauty and subsequently a much sought after residential area. The city of Truro is approximately eight miles distant and St. Austell slightly further.

In greater detail the accommodation comprises (all measurements are approximate):
