3 Bedroom House - Detached located in London

Beautifully presented detached three-bedroom family home, quietly positioned within a desirable cul-de-sac and falling within the sought after Ashmole Primary School catchment area. Occupying an exceptionally generous plot for the area, the property offers excellent potential to extend to the side, rear and into the loft, subject to the usual planning permissions (STPP).

This lovely house comprises a welcoming entrance hall, a bright and spacious double reception room, and a fitted kitchen/diner overlooking the rear garden. The first floor offers three bedrooms and a family bathroom, making it an ideal home for growing families.

Externally, the property benefits from off-street parking, a substantial double depth garage providing excellent storage or workshop space, and a detached summer house/home office positioned within the garden. The impressive rear garden extends to approximately 81ft x 70ft, offering an exceptional outdoor space for entertaining, family living, or future development opportunities.

Conveniently located just 0.7 miles from Southgate Underground Station (Piccadilly Line), this is a rare opportunity to acquire a detached home with good living space, extensive gardens, and significant scope to enhance and add value.
