Modern three-bedroom detached home, occupying an enviable position tucked away from the main thoroughfare of the ever-popular Chestnut Park development in the North End of Yatton. 1 Blackcap Avenue is an attractive three bedroom detached family home that has been thoughtfully enhanced to embrace the demands of modern living. Beautifully presented throughout, the property immediately conveys a sense of light, space and practicality from the moment you step inside. A welcoming entrance hall provides access to the principal ground floor accommodation and WC, with a spacious sitting room providing an inviting retreat from the demands of everyday life to the front of this beautifully presented home. The addition of an attractive box bay window not only floods the room with natural light but also lends a traditional elegance and interest that sets the tone for the accommodation beyond. Undoubtedly the focal point of the home is the open-plan kitchen/dining room, where the current owners have cleverly removed two internal walls to create a wonderfully sociable living environment. The result is a bright and airy space that naturally lends itself to both everyday family life and entertaining on a larger scale. French doors draw natural light deep into the room whilst also providing access to the rear garden, making it easy to keep an eye on your children playing. Arranged across the first floor are three well-proportioned bedrooms, including a generous principal bedroom benefiting from built-in wardrobe space and its own en-suite shower room. Two further bedrooms are served by a smartly appointed family bathroom, creating a layout perfectly suited to growing families, professional couples and those seeking flexible accommodation.

The rear garden has been thoughtfully landscaped to create a wonderfully inviting and easy-to-maintain outdoor environment. At its heart lies a substantial artificial lawn, framed by contemporary porcelain terraces and pathways that seamlessly connect the various outdoor spaces. Ideal for both entertaining and everyday enjoyment, the garden offers ample room for dining, relaxation and family life alike. A charming decked seating area provides a further spot in which to sit and enjoy the garden, while secure gated access to both sides of the property adds to the overall practicality. Enhancing the property's appeal still further, the garage has been insulated and partially converted to provide a dedicated home office, accessed directly from the garden via a courtesy door. The remaining front section continues to offer excellent storage space, creating a highly versatile area perfectly suited to modern living. The front continues the low-maintenance theme, with areas laid to artificial lawn and decorative stone with a pathway leading to the main entrance. Adjacent is a driveway that offers parking for two vehicles.

Blackcap Avenue forms part of the highly sought-after Chestnut Park development, positioned on the northern edge of Yatton. Since its construction, this modern and thoughtfully designed development has proved exceptionally popular with families and professionals alike, thanks to its convenient access to a wide range of local amenities. These include the highly regarded Chestnut Park Primary School, Yatton's mainline railway station with direct services to Bristol, Bath and London, and the beautiful North Somerset countryside, offering an abundance of scenic walks and outdoor pursuits right on the doorstep.
