DESCRIPTION

Set well back from the carriageway this superbly proportioned terraced house forms part of an ever popular location developed mainly with houses of similar age and design in grounds that have matured to create an attractive setting.

Approached beyond a composite front door and entrance hall, the accommodation includes a fitted kitchen with integrated appliances at the front, whilst toward the rear there is a spacious living room with the focal point of traditional fireplace surround with marble insert and hearth. The naturally light conservatory opens onto the rear gardens through French windows and is currently used as a dining room.

At first floor level there are two excellent double bedrooms, a single bedroom and shower room/WC. Furthermore, there is provision for storage off the entrance hall and landing.

Gas fired central heating has been installed together with PVCu double glazing.

Externally, the extensive rear gardens are laid mainly to lawn with a raised paved terrace which would be ideal for entertaining during the summer months. In addition, there is a communal parking area within the close.

The location is ideal, being within the catchment area of highly regarded primary and secondary schools, well placed for access to Waitrose supermarket and the shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. In addition, the Metrolink stations of Navigation Road and Timperley provide a commuter service into Manchester city centre and the surrounding areas.
