INTRODUCTION

Hyman Hill are delighted to bring to the market this much larger than average two double bedroom purpose built apartment situated in a popular tree lined road just off Southwick Village Green. Externally there is a single garage and residents parking area. Well maintained communal gardens surround the property with seating areas and a fenced off enclosure housing rotary drying lines.

Situated on level ground, Southwick Square with its comprehensive range of independent and corporate

shops can be found just around the corner together with library, doctors' surgery, community centre and bus stops. Southwick Railway station is found a short walk away offering coastal routes east and west with links to London.
