The property has undergone a comprehensive refurbishment, including brand new engineered wood flooring, fresh contemporary décor, new lighting throughout, a fully fitted modern kitchen with Corian work surfaces, and a beautifully designed bathroom.

The refurbishment has been completed with a strong emphasis on quality, comfort and attention to detail. New secondary glazing was added to the windows and the flooring has enhanced sound insulation providing a comfortable and contemporary living environment. Storage has been thoughtfully maximised, with two generous hallway cupboards, built-in wardrobes in both bedrooms, and integrated bookshelves in the reception room.

Offered furnished or unfurnished, this new home is immaculately presented and will be an ideal home in the heart of Bloomsbury.
