

Walmgate

City Centre, York

YO1 9TJ

£230,000

Located within the heart of York city centre, this beautifully presented ground floor apartment forms part of the exclusive Malt Shovel Court development, quietly tucked away through an archway just off the vibrant Walmgate. Offering a peaceful setting moments from York's historic landmarks, independent cafes, restaurants and shops, the property is ideally suited to both owner occupiers and investors alike.

The apartment has been thoughtfully converted and finished to a high standard throughout, blending contemporary styling with the charm and character expected from a period building.

The accommodation briefly comprises a private entrance leading into an open plan living dining and a separate kitchen space, designed for modern city living. The kitchen features stylish handleless light cream units, integrated appliances and complementary finishes throughout, creating a bright and practical living environment.

The property further benefits from a well proportioned double bedroom and a contemporary shower room finished with modern fittings.

Malt Shovel Court is an attractive and quiet cul de sac setting, rarely found within such a central location, making this a particularly appealing opportunity for those looking for convenient city living.

Unusually for a city centre apartment, the lease allows for holiday and short term letting with no restrictions, presenting a rare and highly flexible investment opportunity with strong income potential.
