Southampton Street, Covent Garden WC2

Overview

Situated on the second floor of Dudley House, an exclusive residential development of just 18 apartments, this beautifully presented one bedroom apartment combines elegant interiors, high quality finishes and an exceptional Covent Garden location.

The apartment is flooded with natural light from large sash windows overlooking Southampton Street, a quiet semi-pedestrianised street connecting Covent Garden's iconic Piazza with the Strand. High ceilings enhance the sense of space throughout, while the generous open plan reception and dining area features a bespoke fitted kitchen with warm contemporary cabinetry, contrasting natural stone worktops and splashback.

The well proportioned double bedroom also overlooks Southampton Street and benefits from generous bespoke fitted wardrobes. A beautifully finished shower room with underfloor heating completes the accommodation. Residents benefit from a daytime concierge, 24-hour CCTV and lift access to all floors.

Dudley House occupies an enviable position in the heart of Covent Garden, surrounded by some of London's most celebrated restaurants, independent boutiques, luxury retailers and cultural destinations. The Royal Opera House, Covent Garden Piazza and the theatres of the West End are all moments away, while the nearby gardens of St Paul's Church offer a peaceful retreat from the energy of the neighbourhood.

The Strand, Embankment Gardens and the River Thames are all within easy walking distance, with excellent transport connections available from Covent Garden, Leicester Square and Charing Cross stations.

The apartment is offered fully furnished and is available immediately for a short-term let of 3–6 months.

Council Tax Band E - Westminster.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

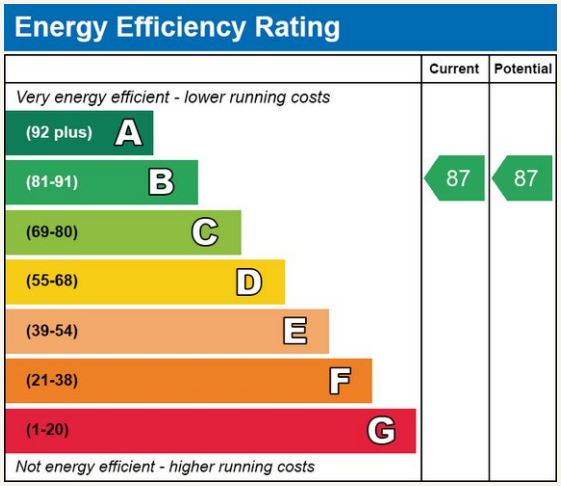

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
