INTRODUCTION

This attractive and extended detached family home is ideally situated in a highly sought after village location on the northern edge of Kidderminster, within Wolverley. Arranged over three floors, the property offers an excellent amount of well proportioned living space throughout. A standout feature of this home is the generous sized private garden, providing both space and privacy perfect for family life and entertaining. To the front, there is a garage and off-road parking. Offered to the market with no onward chain, this is a superb opportunity, and early internal viewing is highly recommended.

DESCRIPTION

Approached via a welcoming porch, elegant double doors open into the first reception room, where a charming bay window frames views to the front. A handsome chimney breast with a slate hearth and rustic timber beam provides a focal point, while interconnecting doors lead to both the family room and the beautifully appointed open-plan dining kitchen.

To the rear, the second reception room exudes warmth and character, centred around an exposed brick fireplace. This versatile space flows seamlessly into the impressive extended dining kitchen – a stunning heart of the home, perfectly designed for both everyday living and sophisticated entertaining. Flooded with natural light from Velux roof windows and ceiling spotlights, the room is further enhanced by wide bi-fold doors that open fully to the landscaped rear garden.

The bespoke breakfast kitchen features underfloor heating and an extensive range of solid oak cabinetry, complemented by a breakfast bar and quality work surfaces. A country-style Rangemaster cooker, wine rack, and freestanding fridge freezer are included, alongside a decommissioned integrated dishwasher.

Completing the ground floor is a thoughtfully designed cloakroom/utility area, offering ample storage, space for laundry appliances, and internal access to the garage.

The first floor is home to three well-proportioned double bedrooms, the family bathroom, and access to a secondary staircase. Bedrooms two and three are enhanced by fitted wardrobes, while the principal bedroom enjoys the luxury of a stylish three-piece en-suite shower room.

The family bathroom is thoughtfully designed, featuring a built-in vanity unit with WC, twin wash basins, and a P-shaped bath with shower over.

In 2007, the current owners sympathetically converted the loft to create an impressive fourth bedroom. Bathed in natural light from Velux windows, this spacious room also benefits from useful eaves storage, offering a versatile space equally suited as a guest suite, home office, or hobby room.

OUTSIDE

To the front of the property, timber gates open onto a block-paved driveway and access to the garage, which is fitted with an electric roller door.

The south facing rear garden is a standout feature, boasting a beautifully laid Indian stone patio with covered pergola, perfect for outdoor dining, well-maintained lawn and sleeper bed. A pathway leads to the end of the garden, where a spacious outbuilding offers excellent potential for use as a home office, studio, or games room.

Adjoining this is a secondary outbuilding, enclosed by timber gates, offering additional storage or workspace.

A pedestrian gate at the rear of the garden provides easy and practical rear access.
