Introduction

A fantastic and rare opportunity to purchase this beautiful, period semi detached family home situated on the popular East side of Newport, offered for sale with no onward chain and benefitting from close proximity to amenities and road links. Within walking distance there are local shops, bus stops and well regarded primary and secondary schools, as well as the M4 motorway being a short drive away providing an easy commute to neighbouring towns and cities.

The property has been lovingly owned by the same family for decades and, whilst it has been very well cared for, some modernisation would be required. It really is a blank canvas with plenty of living accommodation on offer, ideal for those looking to make their own mark on this truly impressive home.

On entering the property, we are welcomed into the hallway which leads off to a generous sized lounge, dining room and breakfast room, as well as a kitchen with pantry and WC. Upstairs, the landing leads off to three DOUBLE bedrooms and family bathroom with separate WC.

Outside, the frontage offers a block-paved driveway providing parking for two cars then, to the rear, an enclosed garden laid to lawn and patio with two stone-built sheds at the end of it.

Viewing really is essential to appreciate what this larger than average home has to offer. The potential is huge, not only to modernise, but to re-configure to provide a more modern, open plan layout.
