“I really like this one. It’s been completely transformed by the current owner, and the three-storey layout gives it a great sense of space.”

READY TO ENJOY FROM DAY ONE!

Set over three floors, this impressive three-bedroom terrace has been completely refurbished by the current owner, creating a home that feels fresh, practical and ready to move straight into.

From the feature brick fireplace with log burner and open-plan living space, to the generous garden and gated parking, there is plenty here to appreciate.

Ideal for buyers looking for a home that requires little more than unpacking, the property combines character touches with a thoughtful layout, including a useful WC on the first floor and an impressive top-floor bedroom with a mezzanine-style feel.

THE FINER DETAILS

A thoroughly refurbished home arranged over three floors, offering flexible accommodation, useful built in storage and excellent outside space.

The property begins with a porch leading into the generous lounge/dining space. The accommodation then unfolds across three levels, creating a layout that separates everyday living from the bedrooms while making excellent use of the available space.

The ground floor centres around the open-plan lounge and dining room, with the feature brick fireplace that houses a log burner providing a real focal point. The kitchen is positioned towards the rear and provides a practical space for everyday use, while a shower room adds useful convenience at this level. A further porch provides access to the rear of the property.

The first floor provides two well-sized bedrooms both with built in storage, both benefiting from built-in storage, together with a convenient WC. Stairs continue to the second floor where the impressive main bedroom occupies its own level. With its open staircase and mezzanine-style arrangement, this is a characterful and versatile space with plenty of room for furniture and storage.

To the rear, the property has a mixture of gravel, lawn, established shrubbery, log storage and a sheltered seating area. A gated driveway provides private parking to the rear, adding a valuable practical benefit to the property.
