GENERAL

The Nut and Squirrel, as its name suggests, was formerly a public house and has been transformed with considerable flair and style into an outstanding and luxurious family home extending to over 3,000 sq ft. The accommodation flows really well with a number of truly impressive rooms, most notably a superb 33 ft living kitchen with bi-fold doors opening out to the garden, and a sumptuous principal bedroom with Juliet balcony and en suite.

Arranged over three floors, the accommodation includes five well-proportioned double bedrooms and three bath/shower rooms, while there are far reaching country views from the first and second floors. On the ground floor there are three reception rooms including a cinema room, a sitting room and formal dining room in addition to the living kitchen.

Outside, there are beautifully landscaped gardens with lots of lovely spaces for relaxing and outdoor dining. The present owners have recently acquired some adjoining paddock land, where there is a stable block, making this a particularly appealing proposition for those seeking space, lifestyle and semi-rural surroundings.

It should be noted that there is an EV car charger.
