EXCELLENT SCOPE FOR MODERNISATION AND EXTENSION

DC Lane are thrilled to present to the market this classic semi detached bungalow in highly sought after Staddon Park Road Plymstock, ideally located for excellent local schooling, Broadway shopping parade, transport links and close proximity to the coastline of Mount Batten, beaches and coastal footpaths.

Having been cherished by the same family for many years, this well proportioned home set within a generous plot, offers an exciting opportunity for a new owner to modernise, remodel and create a truly individual home. The potential is clear, with neighbouring properties having already undertaken extensions and dormer loft conversions, subject to the necessary planning consents.

The accommodation currently comprises an entrance hall, a bright living room featuring a large window that takes full advantage of the far reaching views across the valley, a fitted kitchen with side door providing access to the porch, two generous double bedrooms, a further single bedroom and a bathroom. The property benefits from gas central heating and solar panels.

Externally, a brick paved driveway provides ample off road parking and leads to a useful garage. To the rear, the enclosed garden is predominantly laid to lawn and bordered by timber fencing, creating a private and manageable outdoor space and a greenhouse is also included.

Offered to the market with no onward chain, this is a rare opportunity to acquire a bungalow in a highly desirable location with scope to modernise, extend and potentially create additional accommodation, this property will appeal to buyers looking to put their own stamp on a home and a viewing is highly recommended.
