The kitchen offers a generous range of fitted units and integrated appliances, including a dishwasher, washing machine, hob with extractor hood, oven, and a large fridge/freezer. There is ample storage both above and below the worktops, along with a large internal window opening through to the living space, creating a sociable and open atmosphere ideal for entertaining.

The sitting/dining room showcases original flooring and features a multi-fuel stove with a stone hearth, fitted corner cupboards, and dual-aspect windows allowing plenty of natural light.

To the rear of the property, there is a versatile snug which could serve as an occasional bedroom, along with a studio room complete with fitted wardrobe and French doors opening onto the garden. A ground floor bathroom includes a bath with shower over, WC, wash basin, and heated towel rail.

Upstairs, the property offers two spacious double bedrooms, both benefiting from eaves storage and attractive views across the village. There is also a second bathroom featuring a sit-in bath with shower over, WC, and wash basin. The landing provides additional storage and access to further eaves space.

OUTSIDE

Stone Cottage offers a beautifully multi use garden providing a range of areas to sit and enjoy the sun from all times of day, with decking to the rear to enjoy the sun in the early mornings, two patio areas and also an area to the front of the property laid with plants, shrubs and trees.

There is parking for up to 6 cars around the property.

The current owner has converted the garage to a useful studio/gallery, but this could easily be changed back for additional parking. Extending off of the studio/gallery is an outside store, once believed to have been used as an outside WC.
