Lucerne Walk

The floorplan for this property begins with an entrance hall which sits at the heart of the home, adjoining all other rooms. The lounge is a great space, measuring 16'9 x 10'9, with a large window which overlooks the front. The kitchen is found at the rear of the home, boasts an abundance of cupboard and surface space, as well as a door into the rear garden. Bedroom 1 is a large double bedroom, measuring 13'6 x 10'8 and bedroom 2 also fits a double bed, measuring 9'2 x 8'10. The bathroom is a three-piece suite comprised of shower over bath, toilet and sink.

The rear garden is a great size and currently hosts a garage for storage. Many surrounding home have taken down the garage in favour of an even larger garden, which is also possible at this home. To the front of the property is a driveway for multiple vehicles, which completes this popular style of bungalow.

We have priced this property to factor in some modernisation required inside, but the size and location of the bungalow are impressive. Call us today to organise a viewing and see all of the benefits first hand.
