The Kitchen You'll Never Want to Leave... and a Garden That Keeps on Giving.

Every now and then, a home comes along that simply feels right from the moment you walk through the door. This beautifully extended three-bedroom end-of-terrace home on the ever-popular Galleywood Road is one of those rare finds—packed with space, style and exciting future potential.

Occupying a generous corner plot in the heart of sought-after Great Baddow, this isn't just somewhere to live... it's somewhere to grow, entertain and make memories for years to come.

Step inside and you'll immediately notice how practical family life has been made. The welcoming hallway offers not one, not two, but three separate storage cupboards, meaning coats, shoes, school bags and everything else finally have somewhere to disappear!

The spacious lounge provides the perfect place to relax, beautifully finished with contemporary feature lighting that frames the ceiling and creates a warm, inviting atmosphere. Whether it's movie night with the family or friends gathered for drinks, this is a room you'll love spending time in.

But the real showstopper?

The stunning kitchen/dining room.

Designed to be the social hub of the home, this fantastic space features sleek high-gloss cabinetry, stylish under-cabinet lighting and an impressive breakfast bar that's guaranteed to become the busiest seat in the house. Morning coffees, rushed weekday breakfasts, children's homework, family celebrations... life naturally happens here.

To the rear, the impressive extension creates a second reception room that's flooded with natural light thanks to beautiful skylights overhead. Whether you need a family room, playroom, home office or entertaining space, this versatile room adapts effortlessly as your lifestyle changes. A convenient downstairs WC and cleverly designed utility area make everyday living that little bit easier, while the gas combi boiler is neatly tucked away.

Upstairs, you'll find three well-proportioned bedrooms centred around a beautifully finished landing complete with stylish downlights. The principal bedroom benefits from mirrored fitted wardrobes, reflecting light and creating an even greater sense of space, while the family bathroom serves the remaining bedrooms perfectly.

Need even more storage? The loft is already fitted with a ladder and partially boarded, making it ideal for all those seasonal essentials you don't want cluttering up the house.

Then there's the garden...

Set on an enviable corner plot, the outdoor space is every bit as impressive as the inside. There's room for children to play, summer BBQs that stretch into the evening and plenty of space for green-fingered enthusiasts to make it their own. Better still, the generous side plot offers exciting potential for a double-storey side extension (subject to the necessary planning permissions), allowing this already spacious home to evolve alongside your family's future.
