Birchwood Road

Situated in Birchwood Road in Upton, this impressive and deceptively spacious chalet style family home offers versatile accommodation, perfectly suited to modern family living.

Having been thoughtfully extended, with a loft conversion completed approximately 10 years ago, the property provides an unexpected and welcome amount of space and flexibility throughout.

The ground floor accommodation begins with an open entrance hallway, leading to three well proportioned double bedrooms, a comfortable living room with doors opening directly onto the rear garden and a modern fitted kitchen featuring integrated Neff ovens and plenty of space for a dining table. A family bathroom completes the ground floor.

Upstairs, the fantastic principle bedroom provides a sizeable private retreat, complemented by its own en-suite shower room.

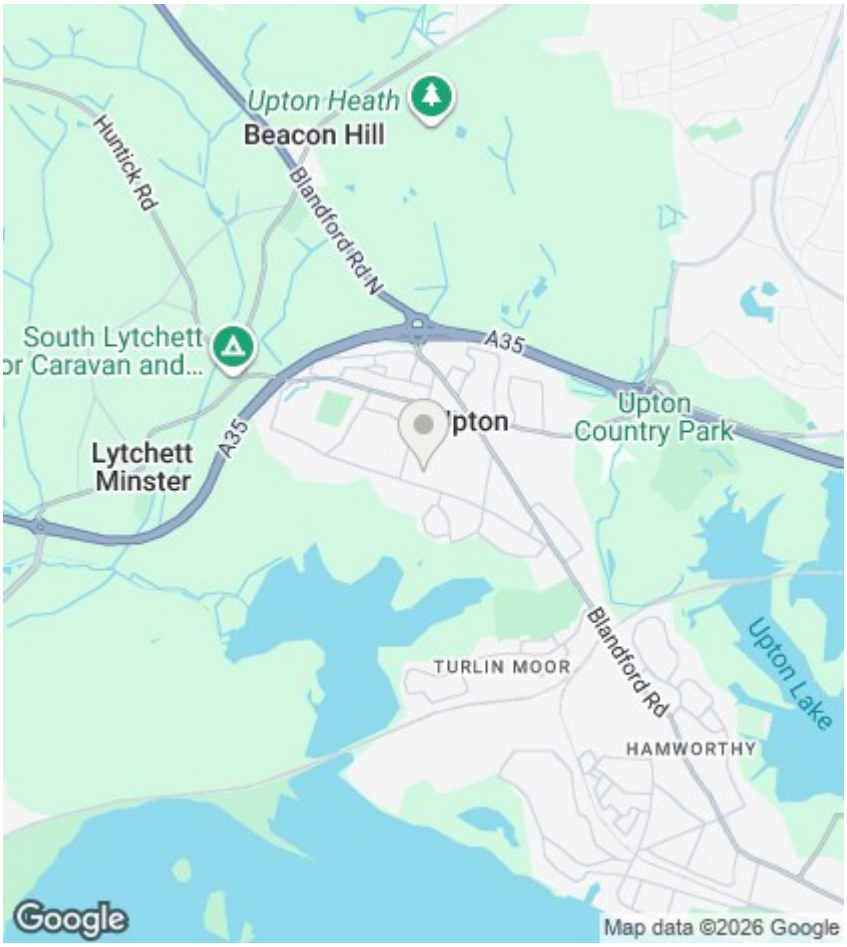

Further benefits include gas central heating, underfloor heating in the kitchen, double glazing throughout, a practical separate boiler room and the added convenience of a water softener.

Externally, the property continues to impress with a substantial driveway providing ample off road parking, which extends along the side of the house.

The rear garden is a real highlight and has been designed with entertaining in mind. There's a hot tub beneath a pergola, an outdoor kitchen area and plenty of room for relaxing and socialising. There is also a substantial workshop with power and lighting, together with a separate garden shed, both benefiting from electric roller doors – ideal for hobbies, storage or those requiring additional workspace.

Upton is a desirable area, particularly appealing to families, offering good schooling and range of local amenities, shops and everyday conveniences.

Combining generous and flexible accommodation with excellent parking and superb outdoor entertaining facilities, this is a fantastic family home offering far more than initially meets the eye. To arrange a viewing, please contact our Upton office.
