Lorne Gardens, Notting Hill

£3,500 Per Month

A well-proportioned two bedroom apartment offering considerable scope for improvement, situated on the fourth floor of this handsome and well-maintained portered building, served by a lift.

The building itself benefits from a daytime porter and passenger lift, with the fourth floor position affording a good degree of light and privacy above street level.

Cameret Court occupies a convenient position on Lorne Gardens, at the western end of Holland Park Avenue. The open spaces of Holland Park lie a short distance to the east, while the shops, cafés and restaurants of Holland Park Avenue and Notting Hill are within easy reach. Great for professionals and students.
