'I've loved my time here and the balance this home offers. Being on a quiet cul-de-sac, it's a peaceful place whilst still being very well connected. Victoria park is an incredible green space and I've loved having it on my doorstep for morning coffees, sunset walks or simply taking in the views across the city and towards the Suspension Bridge. The Harbourside is only a short walk and always buzzing and Bristol Temple Meads being 10 minutes away has been extremely handy! The friendly neighbours and strong sense of community have made it an even more enjoyable place to call home. The combination of all the above and easy access to the rest of the city and nearby countryside has made this the perfect first home, and I'll always look back on my time here with great fondness."
