A well-presented two bedroom semi-detached home, offering extended ground floor accommodation, a garage and driveway parking, together with a beautifully landscaped rear garden.

The property is approached via a generous block-paved driveway, providing off-road parking and access to the garage. A side entrance opens into the hallway, with access into the main living accommodation.

To the front of the property is a good-sized lounge, with a large bay window allowing plenty of natural light into the room and a feature fireplace providing an attractive focal point.

To the rear, the property has been extended to create a particularly versatile kitchen and dining space. The kitchen is fitted with a comprehensive range of wall and base units, work surfaces, integrated cooking appliances and space for further appliances, opening through into the dining room. This provides plenty of space for a family dining table and enjoys a pleasant outlook over the rear garden, with sliding doors providing direct access outside.

Upstairs, there are two bedrooms, with the principal bedroom being a generous double and the second providing a useful additional bedroom, home office or nursery depending on requirements. The accommodation is completed by the family bathroom, comprising a bath with shower over, wash hand basin and WC.

One of the real highlights of the property is the rear garden, which has been thoughtfully landscaped to create an attractive outside space. A combination of gravelled areas and composite decking provides several places for outdoor seating, surrounded by an impressive selection of established planting and Japanese maples which create a particularly private and attractive setting.
