ROBERT ELLIS ARE PLEASED TO BRING TO THE MARKET THIS WELL-PRESENTED TWO BEDROOM SEMI-DETACHED HOME SITUATED IN A CONVENIENT RESIDENTIAL LOCATION CLOSE TO NOTTINGHAM CITY CENTRE.

Offered to the market with the benefit of a generous rear garden and a practical layout throughout, this property would make an ideal purchase for a first-time buyer, investor or those looking to downsize whilst still enjoying well-proportioned accommodation.

The property is entered via a side entrance lobby which provides useful additional space and access through to the rear garden, along with a ground floor WC and space for appliances/storage. From here, an inner hallway leads through to the main accommodation.

The fitted kitchen is positioned to the rear of the property and is appointed with a range of contemporary wall and base units, laminate work surfaces, integrated oven, four ring gas hob with extractor above, stainless steel sink and useful pantry storage.

To the front elevation, the living room offers a bright and comfortable reception space with a bay window allowing plenty of natural light, creating an ideal setting for both everyday living and entertaining.

To the first floor, the landing gives access to two bedrooms and the family bathroom. Bedroom one is positioned to the front of the property and benefits from a bay window, while bedroom two enjoys a pleasant outlook over the rear garden. The bathroom is fitted with a three-piece suite incorporating a panelled bath with shower over, wash hand basin and WC.

The property also benefits from a good-sized boarded loft space, accessed via a loft ladder and currently used for storage. Subject to the relevant permissions, this space offers excellent potential to be converted into a third bedroom, further enhancing the overall accommodation.

Outside, the property benefits from off-road parking to the front/side and a generous enclosed rear garden with patio and lawn, providing an excellent outside space for relaxing or entertaining. The size of the garden also presents excellent scope for future extension, as demonstrated by the attached neighbouring property and several surrounding homes which have already carried out extensions, offering buyers the opportunity to further develop the property if desired (subject to the necessary permissions).

Situated within easy reach of Nottingham City Centre, local shops, schools and transport links, this property represents an excellent opportunity for a variety of buyers and an internal viewing is highly recommended.
