THE DEVELOPMENT

A BOUTIQUE RETREAT IN LAS LAGUNAS DE MIJAS

From Marevo Real Estate we present this unique development located in Las Lagunas de Mijas, one of the areas with the greatest potential on the Costa del Sol, priced from €196,000. A project combining contemporary architecture, efficiency and a clear focus on quality of life, creating a setting designed both for enjoyment and for investing with confidence.

Las Lagunas de Mijas is a dynamic enclave in full expansion, perfectly connected with Fuengirola, Marbella and Málaga, offering every amenity at hand and closeness to some of the best beaches on the coast. Its Mediterranean atmosphere, its excellent climate all year round and its growing international demand make it an ideal place both to live and to invest.

This development offers 29 exclusive homes with 1, 2 and 3 bedrooms, conceived under a boutique concept that prioritises privacy and comfort. Every home has been designed to maximise natural light and the breadth of the spaces, with open layouts and a fluid connection between inside and out that lets you fully enjoy the Mediterranean lifestyle.

The care for detail is reflected in its high-quality finishes: modern, fully equipped kitchens integrated into the living room, large-format porcelain flooring, bathrooms with elegant spa-style design and materials selected to guarantee durability and wellbeing.

In addition, the homes incorporate efficient climate control systems and advanced construction solutions that ensure thermal and acoustic comfort all year round.

Its architecture, with clean lines and a Mediterranean aesthetic, integrates harmoniously with the setting, combining white tones, natural elements and vegetation to create a balanced, modern, timeless whole. A development designed so that every space conveys calm, light and wellbeing.
