NO ONWARD CHAIN | FOUR BEDROOM FAMILY HOME | READY TO MOVE INTO

There's something really easy about Westmorland Close.

It's a proper four bedroom family home that's ready to move straight into, with a big modern kitchen diner, separate living room and a large, light filled conservatory across the back.

All four bedrooms are good sizes, with one currently being used as a home office, while the principal bedroom has its own en suite alongside the family bathroom.

Outside, you've got a southerly facing rear garden, driveway and integral garage, while the house itself is tucked away as one of just two properties in its own little part of the close.

With no onward chain, aside from choosing your own paint colours, you can pretty much get the keys, move your furniture in and start living.
