7 Bedroom Detached and so beautiful by design. This period home was built in the later parts of the 18'00s and is close to Ellington Park, The local registry office and other period homes.

The road is a famous one as its so close to town and all the localised things we have to offer.

The property has a large kitchen on the ground floor along with a snooker room adjacent and original period fireplaces in al rooms. The study is also on this floor and the main lounge area with double doors leading out to the family garden.

The family bathroom is on this level and has a bath shower and hand basin.

#up on the top floor is another 3 bedrooms and the loft room being converted into one of the biggest rooms in the house, With its own balcony and roof terrace.

Last but not least is the garden plot at the rear which is amazing in size and offers out-building's and a place to sit and enjoy the summer months and dine alfresco.
