

Kings Coughton Lane, Kings Coughton, B49 5QF

Guide price £725,000

**** Substantial Detached Four Bedroom Residence * Three Bathrooms ** Multiple Reception Rooms ** Office ** Kings Coughton **** A spacious and versatile four-bedroom detached home set in the desirable village of Kings Coughton, offering multiple reception rooms, a bright conservatory, and a well-balanced layout ideal for modern family living. The property features two en-suite bedrooms, a separate study, a private rear garden, driveway parking for multiple vehicles, and an integral garage, combining both practicality and flexibility in a well-connected semi-rural setting.

This substantial four-bedroom detached home offers a spacious and versatile layout across two floors, with carefully considered living spaces that flow seamlessly throughout the property.

On approach, the property presents an attractive first impression, with a neatly maintained frontage enhanced by established greenery. A driveway provides off-road parking for multiple vehicles and leads to the integral garage, while the main entrance sits centrally, with gated side access offering a convenient route through to the rear garden.

Entering through the hallway, you are immediately drawn to the front kitchen and dining area, which is bright and welcoming, with a bay-style window allowing plenty of natural light to fill the space.

The kitchen is thoughtfully designed with ample room for both cooking and family dining, making it a functional yet inviting heart of the home. At the rear, a generous sitting room connects naturally to a separate living room, creating two distinct reception areas. The living room opens through double doors into a bright conservatory, creating a natural extension of the living space and providing an additional year-round seating area with direct access to the garden. This arrangement allows for both relaxed family living and more formal entertaining, depending on your needs.

A utility room provides practical laundry and storage space, conveniently positioned with access to a ground floor WC. The integral garage is also accessible internally, offering secure parking or further storage options.

Upstairs, the accommodation comprises four well-proportioned bedrooms and a study. The principal bedroom benefits from its own en-suite shower room, providing privacy and comfort. The second bedroom also has an en-suite, making it well-suited for guests or older children. Two additional bedrooms are generously sized and share a family bathroom, while the study offers flexible space for work, hobbies, or even as a nursery.

Externally, the property continues to impress with a well-maintained rear garden, offering a private and enclosed setting ideal for outdoor dining, entertaining, or family use.

The space is predominantly laid to lawn with a patio area, creating a natural extension of the indoor living space during warmer months. Established greenery lines the borders, adding both colour and a sense of privacy, while a garden shed provides useful outdoor storage.

The home combines multiple reception rooms, a conservatory, utility room, and integral garage with well-sized bedrooms and bathrooms, creating a versatile layout that can accommodate a wide range of lifestyles. The thoughtful flow between rooms, along with practical features throughout, ensures that every part of the house serves a clear purpose while maintaining a sense of openness and comfort.

The property is situated in the sought-after village of Kings Coughton, offering a pleasant semi-rural setting while remaining conveniently placed for access to nearby towns. Alcester is just a short distance away, providing a range of everyday amenities, independent shops, cafés, and well-regarded schooling. The area is also well positioned for access to Stratford-upon-Avon and Redditch, with good transport links connecting to the wider road network, making it an ideal location for both families and commuters.
