Key Features

Set along Main Street in the heart of the ever-popular village of Fulstow, Enfield Cottage is a beautifully presented four-bedroom detached home offering approximately 2,100 sq ft of thoughtfully arranged accommodation, blending character, charm and modern-day practicality with ease.

From the moment you arrive, the cottage makes a striking first impression. A gravelled driveway provides generous off-road parking and leads to a detached garage, while the attractive brick façade is softened by established planting and a wisteria that climbs gracefully across the front, giving the property real kerb appeal. Stepping inside, the sense of space is immediate. The welcoming entrance hall sits at the centre of the home and leads through to a series of well-proportioned reception rooms, each offering its own character and purpose. To the front, the main lounge provides a cosy retreat, while a separate sitting room enjoys views across the rear garden, creating a calm and comfortable space to unwind. A further reception room, currently used as a home office, offers excellent flexibility and would also suit use as a playroom, snug or additional sitting room if required.

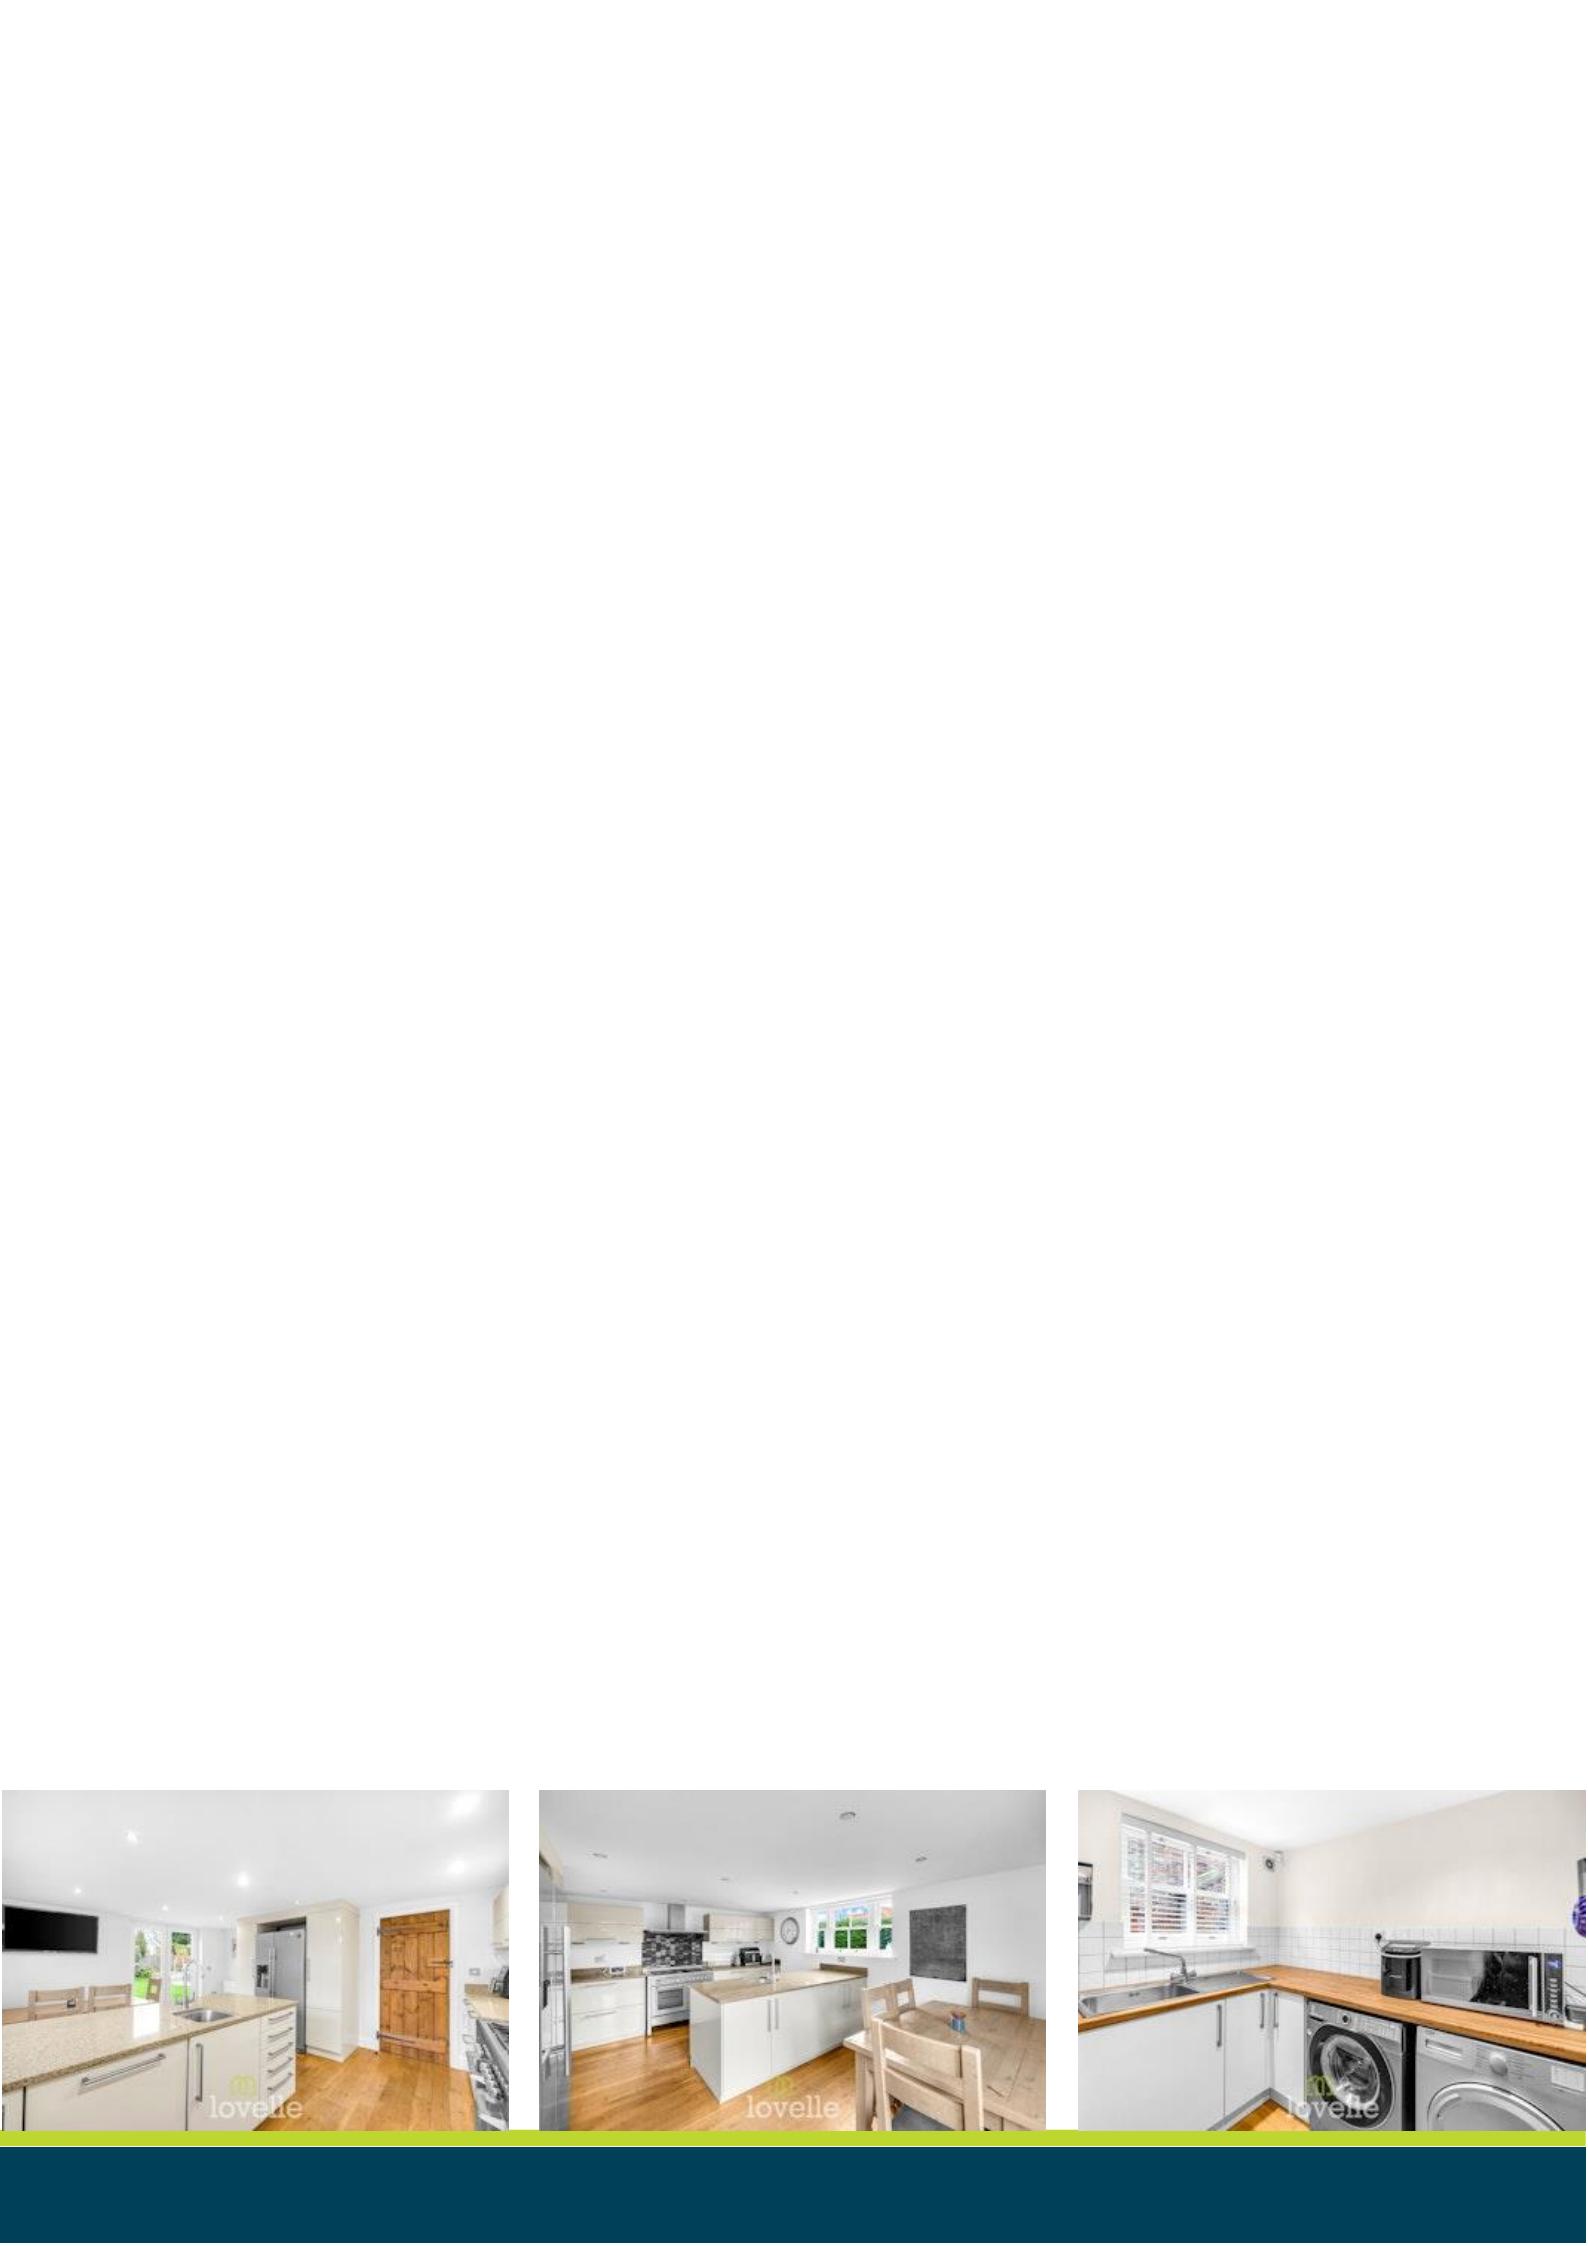

The heart of the home is undoubtedly the spacious kitchen diner. Fitted with a modern kitchen and centred around a generous island, this is a sociable and practical space, ideal for everyday family life and entertaining alike. Patio doors open directly onto the garden, allowing the outside to flow effortlessly in during the warmer months. A separate utility room and ground floor WC add further convenience.

To the first floor, the accommodation continues to impress. The principal bedroom sits to the rear of the property and benefits from fitted wardrobes along with a smart en-suite shower room. There are two further comfortable double bedrooms, along with a fourth bedroom, all served by a beautifully appointed family bathroom featuring a freestanding bath and separate shower, finished in a clean, contemporary style that sits comfortably within the character of the cottage.

Outside, the rear garden offers a private and peaceful setting. Enclosed and well established, it provides a lovely balance of lawn, patio seating areas and planted borders, making it ideal for both relaxation and entertaining. The detached garage sits neatly to the side, complementing the layout and providing excellent storage or workshop potential.

Fulstow is a highly regarded village, known for its semi-rural feel while remaining well connected to neighbouring villages and nearby market towns. It's a location that appeals to those seeking space, community and countryside charm, without feeling remote.

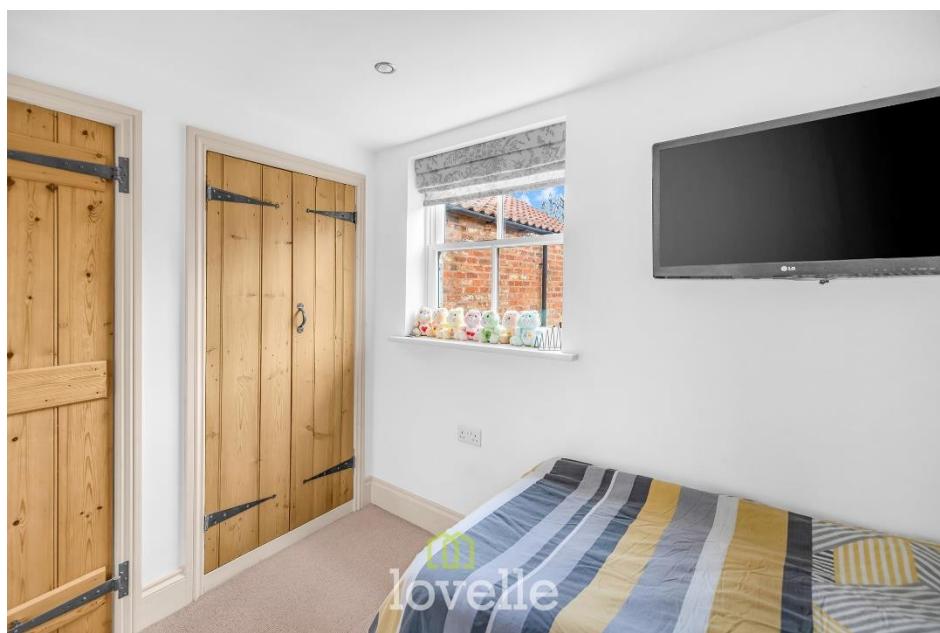

Enfield Cottage is a home that offers flexibility, warmth and character in equal measure – a property that feels just as good to live in as it looks.
