Bright, well-presented top-floor two-bedroom flat with generous living space, off-street parking and no-deposit option, quietly tucked away yet brilliantly connected for shops, schools and commuting.

Top-floor living, two proper bedrooms and no one stomping around above you. That's already a pretty strong start.

Available immediately, this well-presented two-bedroom flat sits in a quiet cul-de-sac and offers the sort of practical layout that makes everyday life refreshingly straightforward. There's a good-sized lounge with direct access through to the kitchen, two generously proportioned bedrooms and a bathroom, all presented ready for its next tenants to make themselves at home.

And because hunting for somewhere to park after a long day is nobody's idea of entertainment, there's off-street parking too.

Commuters haven't been forgotten either. With convenient access towards the A13 and M25, getting out and about is simple, while local shops and schools are within easy reach for day-to-day essentials.

Better still, a no-deposit option is available to prospective tenants, helping make that move-in bill a little less dramatic.

It's bright, practical, tucked away and available immediately. In other words, if your current property search has mainly consisted of sighing at your phone, this one deserves a closer look.
